

Minutes from meeting on October 5, 2007:

We held a brief meeting after the half-time performance and elected the officers listed above. We discussed ways of keeping everybody in the information loop. Bill Rumble has volunteered to keep the Alumni officers updated on MHS band activities and dates. He will let us know when the banquet will be so we can prepare the awards and have somebody there to hand them out.

We also discussed a new award in the memory of Frankie Cline. This would be like a service award. We don't have all the details as of yet.

We would like to put out a request that former band members donate pictures to the Alumni for the new scrapbook to replace the one that was destroyed during the fire at Frankie Cline's home. Contact any officer if you have items to donate or have questions.

Another item we discussed briefly is the purchase of a new Alumni Band banner. The one we had used for years was destroyed along with the scrapbook. We have discussed some different options and will get together soon to discuss this. If we decide to order one, the approximate cost would be about \$500.00. If we can find somebody to make one cheaper, we may go that route. Details will be forthcoming.

Becky Warnke, Secretary
