# Fund Raising

---

- This is the largest fund raising effort undertaken by the Band and we need everyone's help to make it a success!
- Funds received will go towards off setting individual costs
- Fund raising officially began October 1st
- A small group was put together to coordinate fund raising efforts and minimize duplication
- A "Master List" of contacts is being maintained and anyone can contribute to the efforts
  - If you're willing to assist, we ask that you coordinate with the committee to eliminate unnecessary / unwarranted duplication
- The committee meets regularly with Keith Reed to discuss on-going activities and progress
- Committee Members are:
